The leadership breakfast is going virtual on **June 30th, at 7am!** The purpose of this event is still to raise money from businesses, community members, friends and family for the support of Scouting in the Black Hills. You do not have to ask anyone for money. The “ask” will be made during the live Facebook event. Since this is a Facebook Live event, it can be watched after if someone can’t make it! You simply need to invite people to attend or follow along on Facebook. There will be an electronic option to give or you can collect donations and/or pledge cards and drop them off at the scout office. 100% of individual contributions are tax-deductible.

Prior to the cancellation of the in-person event, you may have identified 7-10 guests you intended to invite. Great news is due to the virtual event, you are not limited to 7-10 people. Think big and invite everyone to participate including friends and family from a distance! Please communicate and invite your guests along with others via Facebook by checking out the Black Hills Area Council Facebook page and sharing the event with your friends! If they don’t have Facebook, invite them to watch it with you!

You will want to either visit the scout office to pick up brochures or have them mailed to you so you can distribute them to those who prefer a paper method of donating. There will also be the ability to donate online through Facebook or through PayPal. You can also call the Council office at 605-342-2824.

Here are some ideas of how to engage your “guests:”

- Purchase caramel rolls, donuts, or bagels and coffee and meet at a location to enjoy them together while watching the live portion of the event while social distancing
- Deliver caramel rolls, donuts, or bagels to the place of business or your guests’ home the night before
- Hand out the brochures and ask your guests to watch the live part from the comfort of their home or office
