

2025 Leadership Breakfast

Selfless Spirit of Adventure | Fulfilling our Obligation to our Fellow Citizens

February 20th at 6:15AM

Featuring Ron Young – Eagle Scout & Military Veteran

Table Host Information

The leadership breakfast is happening on **February 20th, at 6:15am in Rapid City at the Best Western Ramkota!** The purpose of this event is to raise money from businesses, community members, friends, and family to support Scouting in the Black Hills. We encourage you to prepare your guests that they will be asked to financially contribute but you do not have to ask anyone for money. The “ask” will be made during the event. You simply need to invite people to attend the breakfast. 100% of individual contributions are tax-deductible and stay local to benefit scouting in the Black Hills.

As a table host, you should identify 7-10 guests you intend to invite. Think big and invite everyone to attend this event with the goal in mind that you want to fill your table! Please communicate and invite your guests that they ideally can make a donation of \$250 which is the approximate to support one scout in the program for a year.

Here are some ideas of how to engage your “guests:”

- Remind them of the date of the event. One week out and again the day before.
- Send your guests an email or calendar invite for the event.
- Think of friends, family, co-workers, neighbors, dentist, real estate agent, family doctor. . . basically anyone that you feel can make a donation to support the youth in the Scouting program in the Black Hills Area Council. We want as many people as possible to be inspired by Scouting.
- Do you know of anyone that should also be an event sponsor or table host? If you do contact the Black Hills Area Council Office to get in contact with them to join onto this amazing event.
